Work Experience

➤ **Motion Graphic Designer & Video Editor – Wazo Lab** **Jan 2024 - Jan 2025**

- Produced detailed educational videos in whiteboard style for French universities, enhancing student learning experiences.
- Utilized Vyond, Adobe Premiere Pro, and After Effects to create engaging animations and visual content.
- Collaborated with instructional designers to develop content that aligns with academic objectives.
- Ensured high-quality editing and seamless integration of audio-visual elements to create dynamic educational videos.
- Developed engaging animated explainer videos using Vyond, ensuring clear and effective communication of complex concepts.

➤ **Photographer, Filmmaker, and Video Editor – RGRD** **Feb 2022 - Jan 2024**

- Captured and documented major events, including reports, commercials, and public events, both in-studio and on-location.
- Handled video shooting, editing, and post-production, ensuring high-quality content delivery.
- Managed sound, lighting, and photo retouching to ensure polished final output.
- Collaborated in selecting filming locations, equipment, and studio preparation.
- Documented musical events (stages and backstage) and press conferences, including Journées Musicales de Carthage.
- Produced and edited behind-the-scenes photo and video content for the acclaimed TV series 'El Harga'.
